**MORE UNWHOLESOME FAMILY  
FUN ARRIVES IN JUNE.**

# CRAYON Shinchan

Vol.

3

**By Yoshito Usui.** More crude adventures with the star of the hit anime series. Shin's parents may find him embarrassing, but that's obviously not his view in "I'm Shinchan, A Really, Really Good Boy!" Then Shin spreads the joy to teachers and fellow students in "I'm The Famous Kid at Kindergarten." Being foul has never been so fun.

# Meet the Noharas!

**SHINNOSUKE NOHARA**

(aka: *Shin, Shin-chan, Shin chan, Shinchan*)

5 years old. Likes pretty girls, drawing on himself, rolling around on the floor, and eating a tasty snack called Choco-bees. Frequently uses both words and his Mom's clothing in inappropriate ways. Also obsessed with bodily functions – his own and others'.

**MITZI NOHARA**

(aka: *Misae*)

Shin's easily frustrated mom. She's a stay-at-home housewife with the misfortune of being Shin's full time caretaker. Mitzi hasn't done much better in the husband department either, as Shin's Dad's behavior has to be closely monitored too. Frequently fantasizes about a better life.

**HIRO NOHARA**

(aka: *Hiroshi*)

A browbeaten "salary man" who is the family's sole breadwinner. He's low on the totem pole at work and doesn't get much respect at home either. Like son, like father: Hiro has the eye for the pretty girls too, and Mitzi's none too tolerant of it. He talks a lot in his sleep, which doesn't help things much.
